

Norske Skog Boyer is committed to improving quality in all aspects of our business in pursuit of our vision:

“TO SECURE AND GROW OUR FUTURE BY BEING THE BEST PAPER BUSINESS WE CAN BE”

To achieve this commitment, we will:

- ➔ Monitor and continuously improve our quality assurance programs and systems to at least ISO 9001:2015
- ➔ Communicate with employees to empower them to ensure that our quality objectives are understood and pursued
- ➔ Ensure that our quality management program is linked by a common platform with other business systems to ensure a consistent and common approach for all employees
- ➔ Work with suppliers and customers in an open, honest and cooperative way to provide value adding partnerships for our business
- ➔ Use processes, practices and materials ensuring consistent product quality
- ➔ Provide management review processes and leadership to deliver on the above commitments.
